EVER CREATED

PART OF OUR PROVEN EMS
INTEGRATION PLATFORM

THE BEST OF emsCharts AND Golden Hour Live

- ▶ Advanced Clinical Charting Solution
- ▶ Supports Both Air and Ground
- ▶ Advanced Responsive Design
- ▶ HIPAA Secure, 24/7 Access
- ▶ The Best of emsCharts and Golden Hour

The emsCharts Gold Services are the result of a collaborative effort between emsCharts and Golden Hour. We took the best of both products and combined them into emsCharts Gold. New features and functionality, responsive design, and a new graphical interface based on cutting-edge Material Design and human computer interfacing standards to create the most advanced Electronic Patient Care Record (ePCR) for the medical transport industry.

The emsCharts Gold Services are comprised of the modules shown, all of which can be purchased separately. Our job is to support your success and your mission.

As part of our EMS Integration Platform, emsCharts Gold is designed to allow you to focus on what matters most: **Patient Care.**
